## **Purpose and Organization of the Work Plan**

This Work Plan has been prepared in accordance with Section 16 of the First Amendment to the Memorandum of Understanding Creating the Russian River Watershed Association (MOU) which was adopted in May 2004. The Work Plan addresses Executive Director Services, General Benefit Projects and Special Benefit Projects. This Work Plan is organized into the following sections:

- Cost Allocation
- Work Plan Updates/Modifications
- Scope of Services
  - A. Executive Director Services
  - B. General Benefit Projects
  - C. Special Benefit Projects
- Attachments: Budget Spreadsheets (Attachment 1 and Appendices A-C)

## **Cost Allocation**

The cost allocation for this Work Plan follows Section 18 of the MOU. For the Executive Director Services and the General Benefit Projects, cost-share is determined by allocating half of the total cost equally among member agencies and allocating the other half in proportion to each agency's operating budget. The operating budget proportions (shown as percentages of the combined operating budgets) used for the Executive Director Services and General Benefit Projects cost allocation formula for the 2011-2012 RRWA Work Plan are shown in Table 1.

**Table 1: Member Agency Percentages of Total Operating Budgets** 

Member Agency	Percentage Share
City of Cloverdale	1.05%
City of Cotati	1.10%
City of Healdsburg	2.11%
City of Rohnert Park	5.80%
City of Santa Rosa	19.12%
City of Ukiah	2.73%
Sonoma County	49.34%
Sonoma County Water Agency	14.55%
Town of Windsor	4.20%

The cost allocation for Special Benefit Projects is in proportion to the benefits received by each participating member agency. These projects do not require each member agency to participate if there is no benefit to a given agency. As such, Special Benefit project costs are shared by participating agencies. The cost allocations for the Special Benefit Projects for the 2011-2012 Work Plan are shown in Table 2.

**Table 2: Special Benefit Program Allocation** 

Program	Allocation
Stormwater Phase 2 Support	Even split among participating agencies
Stormwater Training	50% equally divided between Sonoma County and Santa Rosa, and 50% divided equally among remaining participating agencies
Stormwater Citizens Advisory Group	75% allocated equally among Copermittees, 25% allocated equally among other participating agencies
Creek Week Development	Equally divided among all member agencies
Laguna TMDL Forum and	Equally divided among agencies affected by the Laguna TMDL
Comments	
Salt/Nutrient Management Plan	Equally divided among agencies within the Santa Rosa Plain
Support	Groundwater Subbasin for which the Plan is being developed
Regional Safe Medicine Program –	40% Windsor; 40% Healdsburg; and 20% Cloverdale (based on
Hauling and Disposal	actual cost from 2010)
Regional Safe Medicine Program –	Equally divided among all member agencies
Outreach	
Outreach Material Bulk Order –	Divided among participating agencies based on the number of
Creek Signs	signs each agency requested

## **Work Plan Updates/Modifications**

For the 2011-2012 fiscal year, RRWA will implement the annual Work Plan but allow for updates and modifications at any time during the year. This "Work Plan modification policy" was developed for the 2006-2007 Work Plan and was the result of the Board of Directors' desire to allow more flexibility as new needs, opportunities, schedules, and/or details arise that could not have been anticipated during the annual Work Plan development process. Once interim Work Plan programs are developed, budgets, funding and allocations will be determined by the steps below over approximately a two month period.

- Initial Technical Working Group (TWG) meeting: Scope/budget estimates developed and funding sources identified
- Initial Board of Director (BOD) meeting: Board considers program and member agencies opt in or out
- Final TWG: Budgets/allocations refined and finalized
- Final BOD: Program considered for approval

## **Scope of Services**
